## Hogrefe OpenMind Rights and Licensing: Guidelines for Authors

By signing this release, the author confirms and guarantees on behalf of him-/herself and any coauthors that he or she holds all copyright in and titles to the submitted contribution, including any figures, photographs, line drawings, plans, maps, sketches, tables, and electronic supplementary material (ESM), and that the article and its contents do not infringe in any way on the rights of third parties. ESM files are published online as received from the author(s) without any conversion, testing, or reformatting. They will not be checked for typographical or other errors or for functionality. The author indemnifies and holds harmless the publisher from any third-party claims.

- The author agrees on behalf of him-/herself and any coauthors, upon approval of the article for publication, to transfer to the publisher the exclusive right to any commercial exploitation of the article, such as but not limited to sales of reprints to industry customers or licensing as part of a collection of electronic journal articles. The copyright notice associated with the article will be in the name of the Publisher, unless otherwise required by law.
- The author agrees on behalf of him-/herself and any coauthors to the Hogrefe OpenMind License <http://dx.doi.org/10.1027/a000001>, which is compatible with the Creative Commons Attribution-Non-commercial 3.0 Unported License.

A summary of the license terms is as follows:

You are free:

- **to Share** — to copy, distribute and transmit the work
- **to Remix** — to adapt the work

Under the following conditions:

- **Attribution.** You must attribute the work in the manner specified by the author or licensor (but not in any way that suggests that they endorse you or your use of the work).
- **Noncommercial.** You may not use this work for commercial purposes.
- For any reuse or distribution, you must make clear to others the license terms of this work. Any of the above conditions can be waived if you get permission from the copyright holder. Nothing in this license impairs or restricts the author's moral rights. The full license agreement is available here: <http://dx.doi.org/10.1027/a000001>
