## Reviewers 2019

The *Zeitschrift für Psychologie* expresses its thanks to the following colleagues who contributed to the peer review of manuscripts this year. They reviewed the incoming manuscripts very conscientiously and provided constructive suggestions to many of our authors. Furthermore, in most cases they reviewed quickly, which is a fundamental prerequisite for a rapid manuscript management. The *Zeitschrift für Psychologie* and its editors are greatly indebted to all of them.

Toni Antonucci  
Ruben Arslan  
Michael C. Ashton  
Prerna Banati  
Marc Bornstein  
Michael Bošnjak
