

Electronic Supplementary Material 1

Pairwise robust coefficients of correlations between the suicide rate and different indicators at the level of municipalities (N = 212)

Indicators	1	2	3	4	5	6	7	8	9	10	11
1 – Suicide rate	—	-.02	.15	-.12	-.33	-.04	.27	.00	-.01	-.03	.03
2 – Population size	-.02	—	-.10	.07	.42	.04	-.31	.01	.02	.11	-.02
3 – Percentage of male inhabitants	.15	-.10	—	.06	-.23	.06	.15	-.11	.01	.15	-.07
4 – Number of marriages per 1,000 inhabitants	-.12	.07	.06	—	.11	-.02	.21	.05	-.03	.21	-.21
5 – Number of divorces per 1,000 inhabitants	-.33	.42	-.23	.11	—	.15	-.41	.09	-.07	.01	.04
6 – Percentage of people with low social support ¹	-.04	.04	.06	-.02	.15	—	-.10	.12	.05	.10	.13
7 – Percentage of people with high neighborhood cohesion ²	.27	-.31	.15	.21	-.41	-.10	—	-.01	-.01	-.43	.23
8 – Percentage of people with risky single-occasion drinking ³	.00	.01	-.11	.05	.09	.12	-.01	—	-.07	.11	-.04
9 – Percentage of people with a low level of education	-.01	.02	.01	-.03	-.07	.05	-.01	-.07	—	-.03	.13
10 – Percentage of active population	-.03	.11	.15	.21	.01	.10	-.43	.11	-.03	—	-.56
11 – Percentage of the unemployed	.03	-.02	-.07	-.21	.04	.13	.23	-.04	.13	-.56	—
12 – Net income per capita (EUR)	-.10	.10	-.14	.14	.21	-.13	-.01	.09	.34	.00	-.30
13 – Number of sick leave days per capita	.21	.06	.29	-.06	-.15	-.04	.13	-.12	-.03	-.07	.26
14 – Number of sick leave days due to mental condition per capita	.10	.07	-.01	-.18	.09	-.01	-.04	-.03	.17	-.11	.12

15 – Number of No5B takers per 1,000 inhabitants	.01	.00	-.06	-.39	-.27	.04	.31	-.13	-.03	-.62	.67
16 – Number of No6A takers per 1,000 inhabitants	.15	-.30	.02	-.16	-.31	.18	.17	-.01	.11	-.33	.25
17 – Number of general practitioners per 1,000 inhabitants	-.04	.55	-.10	-.05	.28	.11	-.30	-.07	.35	-.17	.19

^{1/2/3}Data missing for 12/1/2 municipalities.

ESM 1 – Continued

Indicators	12	13	14	15	16	17
1 – Suicide rate	-.10	.21	.10	.01	.15	-.04
2 – Population size	.10	.06	.07	.00	-.30	.55
3 – Percentage of male inhabitants	-.14	.29	-.01	-.06	.02	-.10
4 – Number of marriages per 1,000 inhabitants	.14	-.06	-.18	-.39	-.16	-.05
5 – Number of divorces per 1,000 inhabitants	.21	-.15	.09	-.27	-.31	.28
6 – Percentage of people with low social support ¹	-.13	-.04	-.01	.04	.18	.11
7 – Percentage of people with high neighborhood cohesion ²	-.01	.13	-.04	.31	.17	-.30
8 – Percentage of people with risky single-occasion drinking ³	.09	-.12	-.03	-.13	-.01	-.07
9 – Percentage of people with a low level of education	.34	-.03	.17	-.03	.11	.35
10 – Percentage of active population	.00	-.07	-.11	-.62	-.33	-.17
11 – Percentage of the unemployed	-.30	.26	.12	.67	.25	.19

12 – Net income per capita (EUR)	—	-.31	.01	-.26	-.30	.09
13 – Number of sick leave days per capita	-.31	—	.60	.32	.33	.04
14 – Number of sick leave days due to mental condition per capita	.01	.60	—	.21	.39	.13
15 – Number of No5B takers per 1,000 inhabitants	-.26	.32	.21	—	.55	.15
16 – Number of No6A takers per 1,000 inhabitants	-.30	.33	.39	.55	—	.03
17 – Number of general practitioners per 1,000 inhabitants	.09	.04	.13	.15	.03	—
