The logo for 'ecoversity' features the word in a green, lowercase, sans-serif font. The letter 'o' is replaced by a circular icon of a globe with latitude and longitude lines.

We are coming together in community for an all-day online conference titled, **“COVID-10 - What’s Next?”**. We are gathering for Mental Health Awareness month and diving deep to learn from world-renowned educators discussing:

- Permaculture

- Vision

As well as guided discussion rooms, meditation and movement practices to hold space for growth, guidance, conversation and practicality. Who are you most excited to learn from? Share Below!
